CAMP DATES

Sunday, July 13 – Thursday, July 17, 2003

PURPOSE

Our philosophy is a simple one—to challenge each and every player who attends our camps to become the best they can be. Our focus is the development of the “total player,” paying attention to the individual strengths and weaknesses each player brings to camp. Our camp will provide intense tactical and technical development for the intermediate to advanced player.

DAILY ACTIVITIES

You will receive a daily schedule at the first meeting. Times for the sessions must be adhered to and are mandatory for everybody to attend. Training sessions will be conducted on the outdoor fields located on the campus of Family First Sports Park. All meals are provided in the Dining Hall, located in the Family First Sports Park’s Housing and Conference Center. Food service hours for the campers will be 9am for breakfast, 12:30 for lunch and 5:30 for dinner.

FFSP CAMP PHILOSOPHY

Our camp philosophy is carefully designed to cultivate strength of character in the player. Family First Sports Park camps focus on the development of the entire person. We believe that leadership skills, self-worth and decision-making abilities are the cornerstones of lessons learned on the playing field, as well as the game of life. Whether your goals are to make a travel team, become a varsity starter, earn a college scholarship or play for the US National Team, Family First Sports Park’s camps offer a “one-of-a-kind” camping experience.

ARRIVAL

Upon arrival at Family First Sports Park, Sunday, July 13, come to the Housing Center to complete registration. The first meeting is at 4:30pm, and a camp meal at 5:30pm will follow. Any housing or meals prior to Sunday’s dinner will have to be arranged and paid for by the individual.
